

DEL MAR HIGH SCHOOL

Academic Code of Conduct

Philosophy/Rationale:

The Del Mar High School Learning Community expects the highest standards of honesty and integrity from all students. Allowing unethical student learning behavior to go unchecked establishes habits that are detrimental to both the individual and the society. Del Mar is committed to student achieving our school-wide learning results while conducting themselves with the highest level on integrity. With this in mind, the Del Mar High School Academic Code of Conduct has been put in place as a means to ensure that all students understand our expectations and the consequences for actions which deviate from those expectations. ***As a student, you are responsible for your own work and you are responsible for your own actions.***

Definitions:

Cheating is defined broadly as turning in work that is not your own or allowing another student copy your work. Examples of common forms of cheating are listed below but it is not meant to be an all encompassing list.

- Looking at someone else's paper during a test/quiz
- Talking with another student during an test/quiz
- Using cheat notes
- Allowing someone to copy off of your test/quiz
- Copying work assigned to be completed independently
- Use of any electronic device that stores information during a test/quiz
- Giving or receiving test/quiz information to students in another class
- (Plagiarism) Turning in individual projects not wholly one's own; misrepresenting someone else's work as one's own; failing to give credit for statements and conclusions drawn from another source; submitting someone else's work as your own, including downloading papers from Internet sources.

Consequences:

1st offense:

Receive zero credit on the assignment without possibility for make-up
Referral sent to Guidance Advisor for discussion and posting in computer file
All teachers of the student informed
Student placed on honesty contract
Parent contacted and contract mailed home

2nd offense:

Zero on the assignment
Referral to the Dean
All teachers of the student informed
Parent conference held
Saturday School or After School detention assigned

3 or more offenses:

Zero on the assignment
Referral to the Dean
All teachers of the student informed
If this occurrence totals two in a single class the student is dropped from the class with an F; if this incident is the first in a particular class the student will receive an in-house suspension.

Note: Students will begin with a clean slate each school year. If a student is removed from a class with an F in the first semester, that student will **not** be re-enrolled in the class second semester.

Parking Lot and Motor Vehicle Registration

There are two parking lots on the Del Mar campus. The front parking lot on Del Mar Avenue is for **staff and visitor parking only**. Students are to park in the parking lot at the back of the school. Students parking in the faculty/staff lot will be cited by SJPD.

Students MUST PARK in the student lot. Parking in the faculty lot or off campus is strictly prohibited.

- Motor vehicles must be registered in the Student Service Center and have a current parking sticker affixed to the back bumper.
- Students who fail to park in the proper space, drive recklessly or park outside the student lot are subject to: citation by the police, having their car towed away at owner expense, suspension from school and/or loss of driving and parking privileges on campus.
- The parking lot is off-limits during school hours. Students may not loiter in the parking lot during the school day, including lunch and tutorial. This rule provides better security for student cars.

Students are to immediately leave the area as directed – “mob-like” behavior will be dealt with severely.
- Students will refrain from the use/or possession of tobacco or tobacco-containing products, drugs and alcohol on campus or while attending any school activity whether on campus or away from Del Mar. Del Mar High School is a “TOBACCO FREE ZONE” so neither students nor adults attending events on campus may use tobacco or tobacco-containing products.
- The campus is closed to all non-students between 7:00 a.m. and 4:00 p.m. Parents/Guests coming to the school on official business are permitted on campus but must report first to the Main Office to sign in and receive a visitor’s ID badge that must be worn while on campus.

- Bikes, skateboards, rollerblades, or scooters are not to be ridden on campus. Bikes are to be locked in the bike racks. All other items are to be stored in student lockers.
- Signs posted on campus must be approved by the administration or ASB. Approved signs may be attached to the walls using blue masking tape ONLY.
- All activities must be arranged with the Activity Director's office.
- Changing or altering any school document is punishable by suspension.

Cell phones/disc players/skateboards/bikes/scooters, etc.

- 2nd offense: the item will not be returned until a parent conference is held
- 3rd offense: student will not be allowed to bring the item to school for the remainder of the school year. (School suspension will be given for further violations.)

Closed Campus

Del Mar is a CLOSED CAMPUS. Students must remain on campus for the entire school day including lunch and tutorial. Exceptions: students with a valid Off-Grounds Pass, CCOC, Work Experience, or students with "No 3rd" or "No 6th" period. The athletic fields, football bowl, tennis courts, adult education areas, and all parking lots are off limits during the school day (before school, tutorial, and lunch). Non students and students from other schools may NOT visit the campus nor attend school with Del Mar students. Cars are not to be used as lockers. Loitering is not allowed in the business parking lots on Del Mar Avenue and on the sidewalk. Please note: students may be cited for trespassing by SJPD if they are loitering in the parking lots across the street from the school.

Loitering

Loitering in the neighboring community or business areas is prohibited before, during and after the regular school day. Students coming to school are expected to come directly on to campus and not loiter in or around the neighborhood. Parents of violators may be contacted on the initial offense and the student will face detention and/or suspension for subsequent offenses

Student Dress Code

Students are to dress appropriately for school. Wearing clothing that is overly revealing, has gang connotations, promotes drugs/alcohol and poses a danger to students and staff is strictly forbidden. **Inappropriate dress includes but is not limited to:**

- *Wearing athletic jerseys, jackets, hats etc. that are not the proper team colors*
- *Spaghetti strap tank tops, halter tops, tube tops, one shoulder tops*
- *Short shorts or very short skirts*
- *Skirts with thigh-high slits*
- *Tank tops or athletic jerseys without a shirt with sleeves underneath,*
- *Sagging pants or shorts that reveal underwear*
- *Low cut or revealing tops*
- *Jewelry with spikes or studs*

- **PLEASE NOTE: ALL SHIRTS WORN BY GIRLS MUST HAVE SLEEVES AND/OR A COLLAR, AND ALL SHIRTS WORN BY BOYS, MUST HAVE SLEEVES**

- *Shoes must be worn at all times.*

Students will be asked to change their clothes if they are wearing inappropriate items. Repeat violators will be subject to school discipline.

Sexual Harassment

Sexual harassment is defined as making unsolicited and unwelcome written, verbal, physical and/or visual contact with sexual overtones, or continuing to express sexual interest after being informed that the interest is unwelcome. If a student believes that he or she is being sexually harassed by another student, the first step is to tell the offending person that their actions are unwelcome. If the action persists, the student should make a formal complaint to their Dean. If a student believes they are being sexually harassed by a staff member, the student should report the incident to the principal.

Inappropriate Displays of Affection

Mature individuals do not display their affection for one another in public. A simple hug or "peck on the cheek" is an appropriate display of warmth and friendship; "making out" is not. We ask that students not embarrass themselves, their boy/girlfriend or others around them by saving their affections for a private time.

Birthday Celebrations

Though we all like to help our friends celebrate their birthdays, big, loud and/or destructive displays cause disruption to the regular school activity. Therefore, "birthday bashing" (i.e. spraying with whipped cream, shaving cream, throwing water balloons, or physical punishment) is not allowed and carries strict consequences. Also the posting of birthday displays (i.e. handbills, posters, etc.) is not permitted. Balloons or flowers are acceptable

so long as they do not create a classroom distraction; however they will not be delivered to a student's classroom

Conduct at Athletic Events

- Students and adults who attend Del Mar High School sporting events, whether at home or away, are expected to display conduct reflecting good sportsmanship. All school guidelines, rules and regulations are in force during such events. State law dictates that schools are "Tobacco Free Zones." Neither students nor adults may use tobacco products while on campus or at a sporting event.
- Everyone attending athletic events is expected to conduct themselves in a manner that will bring respect to Del Mar. They shall refrain from any conduct that degrades, baits, or intimidates others.
- Night football and basketball games at Del Mar have some specific rules to which all are expected to adhere. There is a "no in and out" policy, no loitering is allowed, and please exit promptly at the completion of the game. Stadium/gym lights will be turned off shortly after the game is completed.
- Please respect the campus and throw away all trash. There is a no food or drink policy in the gym. Please enjoy your snacks in the lobby area of the gym.

Conduct at School Dances

Dances are a major activity of the social life of Del Mar High School and should be a safe and fun experience for all who attend. All dances, with the exception of the Junior/Senior Prom, begin at 7 p.m. and last until 10 p.m. To maintain the fun and safety of Del Mar's dances, students are expected to observe the following rules:

- Students will not be admitted to the dance after 8:30 p.m.
- All Del Mar students must present a current school photo identification card before being admitted to the dance. Students may leave prior to the end of the dance but may NOT return to the dance once they have left.
- Students will observe DMHS rules of conduct, including those that apply to the use/possession of tobacco, drugs and alcohol.
- Students are expected to be cooperative and follow the direction of the adult chaperons and security officers.
- Dance styles which are provocative or pose the potential for injury are not allowed and students who insist on doing so will be removed from the dance and denied the privilege of attending future dances. Specifically, any dance that is sexually suggestive (i.e. freaking) is strictly prohibited.
- **NOTE: Students committing a suspendable offense at a school dance will lose the privilege of attending ALL future dances for the year including the Prom.**

With the exception of the Junior/Senior Prom, all school dances are for Del Mar students ONLY. No guests are allowed.

Discipline Referrals and Procedures

A "referral" is a communication from the classroom teacher to the Dean describing a student's misconduct that has violated classroom or school rules. The referral represents a

request by the teacher for disciplinary action. When the student is directed to leave the class by the teacher, the student will:

- Leave the room quickly and quietly, report immediately to the Student Service Center.
- Sign in with the Attendance Clerk and report the reason for being sent to the office.
- Be seated in the assigned area and wait quietly until the end of the period.
- Students who fail to remain in the office will be suspended.
- Report to his/her next class when the bell rings unless directed by the Dean to do otherwise.
- RETURN to the office during the same period the next day that the class meets for a conference with the Dean. Most problems can be resolved at that time and the student will be returned to class. **Students may not return to class until directed to do so by the Dean.**

Note: Students are usually not seen immediately after being sent to the office in order to allow the Dean to conduct an appropriate investigation. After discussing the situation with the teacher, the Dean will meet with the student to hear his/her side of the story and will take the necessary action. Parents will be informed of the student's behavior and the disciplinary consequences.

Consequences for Misconduct

Del Mar High School uses a progressive discipline model. Consequences will be in keeping with the student's "due process" rights. This means that consequences increase in severity with repeated misconduct or in accordance with the seriousness of the violation.

Disciplinary actions and consequences may include: a verbal/written warning, sitting in the Student Service Center, doing campus clean-up projects, suspension, after school detention, assignment to a Saturday School Program, removal from a class with an "F," transfer to an alternative education program, the confiscation of student property that violates school rules, or other action considered reasonable and appropriate by the Dean. Parents may appeal suspensions and expulsion recommendations to the Principal.

Suspensions and Expulsions

In certain instances student misconduct is serious enough to warrant a suspension and/or expulsion. The Education Code of the State of California dictates which behaviors bring a suspension and possible expulsion. Listed below are those offenses:

- Furnishing or possession of a firearm
- Brandishing a knife at another person
- Unlawfully selling a controlled substance as listed in the Health and Safety Codes
- Committing or attempting to commit a sexual assault or committing sexual battery
- Possession of an explosive
- Causing or attempting to cause physical injury to another person (e.g. fighting)
- Assault on a school employee
- Possession or use of dangerous objects of no reasonable use to the student
- Possession, use, under the influence, providing or attempting to provide drugs or alcohol
- Sale of a look-alike substance represented to be a drug or alcohol
- Extortion or robbery
- Theft
- Damage to property
- Use or possession of tobacco
- Obscenity/Profanity/Vulgar acts or language
- Possession of drug paraphernalia

- Disruption or defiance
- Receiving/possession of stolen property
- Possession of imitation firearms
- Intimidation/harassment/threats of violence
- Sexual harassment
- Hate violence
- Creating a hostile education environment
- Terrorist threats
- Interfering with a school official or officer in the conduct of their duty thus endangering other students and staff members.

NOTE: Students who are suspended from school for more than two days will have their privilege to take part in school activities revoked for three weeks. A second significant suspension will result in the loss of these privileges for the remainder of the school year.

ANTI GANG POLICY

Del Mar High school is committed to maintaining a safe educational environment for all students and staff. Del Mar has developed the following policy designed to identify, disrupt and eliminate gang influences on our campus and in our neighborhoods. Whether an individual student views him/herself as a gang member, a "wannabe", or a graffiti "tagger," it is our view that all such individuals are at risk of gang involvement and a threat to the safety of our students and staff. The Del Mar High School Anti-Gang Policy has provisions which address dress restrictions, gang symbols, tagging, behaviors and areas of enforcement. It should be noted that students found to be in violation of this policy are subject to suspension and may be referred for expulsion proceedings and other legal action.

This policy is in force on campus at any Del Mar activity regardless of the location and in the vicinity of the school, specifically across the street in the business parking lot.

A. DRESS RESTRICTIONS

Any clothing or head-wear which may be reasonably interpreted as symbolic of gang association is prohibited. Specific examples include, BUT ARE NOT LIMITED TO:

- **COLORS:** wearing more than one article of clothing that displays the color red or blue, with the exception of blue jeans, AND any article of clothing that is solidly blue, red, burgundy or other variation of the colors red and blue.
- Wearing calf-length shorts, usually with long socks that are easily identifiable as gang attire
- Bandanas/"rags" either worn or carried (visible or concealed)
- Dangling belts
- Any hat, piece of clothing, backpack, book, notebook or other item which is inscribed or marked with tagging or gang-associated symbols, words or names

B. SYMBOLS/BEHAVIORS

The display or use of any symbol, word(s) or "tag" which may reasonably be interpreted as symbolic of gang association is prohibited. Specific examples include BUT ARE NOT LIMITED TO:

- Tagging of backpacks, books, notebooks, or other personal belongings
- Tagging of lockers (either inside or outside), desks, walls or any other school property.
- Visible gang or gang -like tattoos or body drawings
- Displaying a “rag” or other similar object
- Gang hand signs
- Giving a look to another student for the purpose of intimidation (i.e. “dogging.”)
- Moving around campus as part of a group of students for the purpose of intimidation.

C. **Students Identified As At Risk of Gang Involvement**

Students who are identified by the school as at risk of gang involvement will be placed on a far more restrictive dress code and behavior contract; they will be referred to an on-campus gang intervention program; they will have their names turned over to the San Jose Gang Enforcement Unit.

ATTENDANCE/PARTICIPATION POLICY

All - day absences should be called in directly by a parent/guardian to the 24 hour attendance line (558-3063) on the day of the absence. Please do not leave requests for off-grounds passes on this message line. All absences must be cleared within three days to avoid being designated as "truant." By-weekly attendance reports are posted in each classroom to keep students informed about the status of their absences. Students are required by State law and District policy to attend school on a regular basis. Any student missing an excessive number of days will be subject to a review by the Deans to determine their continued status at Del Mar High School.

Make-Up Work

Upon returning to school after being absent, a student is required to meet with each teacher during tutorial within two days of his/her return. Each teacher will provide the student with the work missed and will set a reasonable schedule for the work to be completed. Generally students will have the number of days they missed to make up assignments, tests, etc. This is not true in the case of long-term written projects; long-term projects are due on the assigned due date even if the student is absent that day. **Students not meeting the deadlines for make-up work will not be allowed to make up the work at a later time.**

Consideration Absence-Family Vacation

Two weeks prior to a family vacation the parent must complete an application for a "Consideration Absence." These forms are available in the Attendance Office. This request will be evaluated by the Dean and will be submitted to the student's teachers. Be aware that the student is responsible for obtaining all work to be missed from each teacher prior to leaving school. All work missed is due upon return to school. Consideration absences are treated the same as approved absences but are designed differently for attendance auditing purposes.

Tardy Policy

Arriving on time is a trait respected by all people, including employers and teachers. Del Mar High School believes that we must foster a positive work ethic in attendance and academic studies. Students arriving late to class create a disruption and take time away from the instruction of their fellow students. With this in mind, there will be consequences imposed upon students who are chronically late to class.

Unexcused Tardies

Students are expected to be in class prior to the late bell unless they have an approved pass from a school official. Students who are tardy to class will have their participation grade lowered in that class. If tardies become an ongoing problem the student will be assigned after-school detention and if the problem is not corrected he/she will be removed from class with a failing grade.

Leaving Campus for an Appointment, Illness, or Injury

If a student needs to be released from school for an appointment, the parent **MUST** contact the Attendance Office **BEFORE** the time the student is to be released. Absences for students who leave without checking out will **NOT BE EXCUSED**. In the

event of sudden illness, injury, or physical problem, students should report directly to the Health Office for permission to leave campus. Students leaving campus without checking out with the Health Office **WILL BE MARKED "TRUANT."**

Dons Athletic Code

This code is developed to guide the student athlete at Del Mar High School. It is expected that each student athlete recognize his/her responsibilities as a representative of our school and community.

Sportsmanship Definition

A person who can take a loss or defeat without complaint, or victory without gloating, and who treats his/her opponents with fairness, courtesy, and respect has good sportsmanship.

The following are expected to be role models, demonstrating sportsmanship at all times:

- Administrative staff/teachers
- Athletic Director
- Coaches, players, and cheerleaders
- Booster Club members
- Band members, color guard, and band director

Coaches, players, and spectators will respect the integrity and judgment of the officials. The conduct of coaches, players, and cheerleaders generally sets the tone for high school contests. These individuals are expected to maintain the highest level of decorum at all school contests.

The following behavior is unacceptable at all Del Mar High School contests:

- Berating your opponent's school or mascot
- Berating opposing players
- Obscene cheers or gestures
- Negative signs
- Artificial noisemakers
- Complaining about officials' calls (verbal or gestures)

The highest degree of good sportsmanship is expected from everyone. Sportsmanship is winning graciously and losing without complaint. It is positive, spirited support for one's school and treating opponents and officials with generosity, fairness, and courtesy.

Sportsmanship is the responsibility of everyone involved in an athletic contest: players, coaches, officials, cheerleaders, students, parents, and other spectators.

General Eligibility Criteria

Athletics is a great way for students to get positively involved in the school. We encourage students who meet the eligibility requirements to participate in one or more of the 22 athletic teams provided by Del Mar. **There are several prerequisites for trying out for a team. The student/athlete must have:**

- a current physical exam covering the entire school year
- proof of medical insurance (inexpensive insurance may be purchased through the school if the family does not have insurance—contact the main office for information);
- paid the athletic fee of \$50 per sport (note: in the event of severe financial hardship see Activities Director, Doc Iverson, to make other arrangements
- met all of the academic eligibility requirements listed below
- paid all outstanding school bills
- be residentially eligible as defined by the CCS (note: if a student has attended a previous high school their residential eligibility **must** be checked by the Athletic Director)

Academic Eligibility Criteria

Freshmen come into high school automatically eligible and are not required to meet the requirements listed below during the first grading period of their freshmen year. Academic eligibility for athletic participation requires that the student meet the following criteria:

- be enrolled in a minimum of five classes
- have passed a minimum of 20 units in the previous grading period
- have earned a minimum of a 2.0 grade point average in the previous grading period

Academic Probation

CIF, CCS and BVAL rules require that students participating in athletics must be enrolled in a minimum of 5 classes; must have passed a minimum of 20 units at the last grading period, and must have achieved at least a C average (2.0) at the last grading period. An athlete's eligibility status does not change between grading periods. Del Mar High School has six official grading periods, they are: 6-week and twelve week Progress Reports during both the Fall and Spring semesters, the final Fall semester grades and the final Spring semester grades. Summer school grades may be used to improve an athlete's final Spring GPA. BVAL rules allow schools to place an athlete on academic probation for one 6-week grading period during his/her freshman and sophomore years, and once again during his/her junior and senior years.

At Del Mar, Academic Probation will be considered on the following terms.

- Unless a highly unusual situation occurs, probation will only be considered at the beginning of each athletic season, **not in the middle of a season**. Fall sport eligibility is based on the previous Spring semester's final grades; Winter sport eligibility is based on the Fall 12-week Progress Report grades; and Spring sport eligibility is based on the final Fall semester grades.

- Athletes must have earned at least a 1.70 during the grading period determining eligibility
- Excessive unexcused absences, tardies or classroom behavior problems will exclude one from consideration.
- The athlete must have the units to be on track to graduate with his/her class.
- If the athlete was granted probation during his/her freshman or sophomore year and the student did **not** successfully raise his/her grades to at least a 2.0 average at the next grading period, he/she will not be considered for probation again as a junior or senior.

Attendance

Del Mar coaches, teachers, and administrators believe that attendance in all classes is necessary to maintain good grades. Therefore, we expect all of our athletes to attend all their classes each and every day! We further encourage students to make every effort to schedule medical/dental appointments outside of the school day.

A student athlete **must** meet all of the following minimum attendance requirements to participate in practice and/or a game:

- The student must be present a minimum of 2 out of 3 periods
- The only accepted reasons for an absence to be excused for the one period are:
 - Dental or Medical Appointments (The returning athlete must present a written note from the Doctor or Dentist.)
 - Serious family illness (validation may be required.)

Students may miss 3 classes (proof of attendance required) for the following reasons only:

- Jury Duty
- INS Appointment
- Funeral

If the student athlete is absent from school for any other reason, he or she will not be allowed to practice or play. Athletes who do not attend school on Friday may not play in a game on Saturday.

School Equipment

Each athlete is financially responsible for all equipment checked out to him or her. Grades, awards, block letters, and clearance for eligibility will be withheld until all equipment has been returned or bills have been paid.

Dropping Out Of A Sport

If any athlete quits a team or is dropped from the team after the first two weeks of the season, he/she will forfeit all awards and will not be allowed to participate on another team until the present season is completed unless approved by the Athletic Director.

Transportation

Athletes are required to travel to and from away games on the team bus. The coach may make an exception if an athlete's parent makes a written request to drive their son/daughter home from the game and the coach has approved the request in advance. Under no circumstances will students be allowed to drive themselves, or others, to or from games that take place immediately after school hours.
